## DEFERRAL OF ENROLLMENT

UNC Asheville considers requests for deferral of enrollment on a case-by-case basis. Students seeking permission to defer their enrollment after admission for either one semester or one year must submit a letter of request that provides the reason for the request, plans for their deferment period, and the requested enrollment term.

Students may not enroll in another college or university during the time of their deferment. If the deferral request is approved, the student must complete an application update form and submit a new deposit for their term of enrollment by the appropriate deadlines. If the deferral request is received prior to June 1, 2017, the deposit will be refunded. If a deferral request is submitted after the June 1 deadline, the deposit for the current term will not be refunded or applied toward the deferred term.
